Re: I-R Docket No. 4966-IR-BK
Blaw-Knox Construction Equipment Corporation
Conveyor with Cogged Belt and Roller Support Rail
File No. 016276-9079

Dear Mr. Olguin:

We represent the Ingersoll-Rand Company, including the Blaw-Knox Construction Equipment Corporation, in all its intellectual property matters. We are in the process of completing the formal requirements to apply for patent coverage on an invention entitled "Conveyor with Cogged Belt and Roller Support Rail", as referenced above.

The enclosed Declaration and Assignment documents must be submitted as part of this process. Our records indicate that you were named as a co-inventor of the above-noted invention, which occurred during your employment at Blaw-Knox.

As such, we are requesting that you sign and date the enclosed documents and send them back to us using the enclosed envelope, which has sufficient pre-paid postage. If you have any questions or require any additional information, please contact the undersigned via telephone, e-mail or letter (see contact information above).

Sincerely,

MICHAEL BEST & FRIEDRICH LLP

confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to an invention entitled "Conveyor With Cogged Belt and Roller Support Rail" for which we have executed a United States Patent Application Serial No. 10/522,347, filed January 24, 2005 (which is the U.S. national phase application of PCT/US03/22737, filed July 22, 2003) (Atty. File No. 016276-9079 (4966 IR-BK));

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue

applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on said United States application.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
